November 2, 2020

To Our Valued Clients,

Pace has been committed to providing our clients with the best possible service at a competitive level for over 47 years. As we continue to control rising costs while still investing in equipment, technology, employees, and overall service to our clients we will be implementing a (GRI) general rate increase of 5.9% on our proprietary base rates Effective November 16, 2020.

For changes to pallet specific pricing, air freight rates, minimums, and accessorial charges please contact your Account Executive or email [Sales@pacemotor.com](mailto:Sales@pacemotor.com)

Sincerely,

*William T. Pacelli*
