To Our Valued Pallet Rate Clients,

Pace has been committed to providing our clients with the best possible service at a competitive level for over 47 years. As we continue to control rising costs while investing in new equipment, technology, employees, and overall service to our clients we will be implementing a pallet rate increase of \$6.00 per pallet effective 11/30/20.

If you should have any questions regarding the increase please feel free to contact your account representative.

Sincerely,

William T. Pacelli
